**X55 II**

UNLEASHING THE BEAST

## FUTURISTIC

Welcome to the next chapter of BAIC design and performance, the X55 II. It was completely reimagined to connect the driver to the vehicle and the world like never before. A new, highly intuitive BAIC offers a large panoramic sunroof which will automatically close during rainy weather. BAIC inductive hidden door handles will automatically pop out. Star trails ambient light colorful light strip+ Sculpture door sheet, build up a diamond feel ambient light. The body stiffness of the X55 II could reach 21872, strengthen safety protection in crash reduction and deformation.
